

CONFIDENTIALITY DECLARATION

I, _____, in the capacity of _____, hereby declare that I agree to handle the confidential statistical data which I received access to in accordance with the Agreement between the State Statistical Office and _____.

1. By signing this Declaration, I confirm that I am familiar with the provisions of the Law on State Statistics and the Law on Personal Data Protection. I will not use or disclose the information that I acquire in the course of my work for any other purpose that is not in accordance with the goals of my work.
2. I will use the anonymised data set only to carry out the analysis defined in the Agreement with the State Statistical Office.
3. Under my full responsibility, I declare that I am obliged to protect the confidentiality of personal data and keep them safe by respecting the appropriate organisational and technical measures established by the State Statistical Office. I understand that this obligation applies both during and after the completion of the research work.
4. I assume the responsibility that, if it is determined that there is non-compliance with the received instructions regarding the protection of data confidentiality, measures be immediately taken by the State Statistical Office to prevent such violation.
5. I am aware of the obligation to destroy any individual data which I have had access to immediately after the completion of my work and to inform the State Statistical Office about this in writing.
6. I am aware that failure to comply with the data protection provisions is punishable under the Law on State Statistics.
7. Any violation of applicable legal regulations shall also imply termination of cooperation with the State Statistical Office.
